

**MESSAGE
CANDLE**

A heart-warming
Surprise Candle with a
personal message

Surprisecandle with hidden message

Why is Message Candle so Unique?

Message Candle hides your personal greeting, good wishes or message and only after the candle has been burning for a while will your message be visible in a very special way. „An unique surprise for the one who gets your personal greeting or message,,

Marketposition of Message Candle

Millions of greeting cards are sent daily by people all over the world. With Message Candle a very original product is added to this huge market. The Message Candle is the unique combination of a greeting card and a gift in one product. There is more of a surprise to a Message Candle compared to a greeting card as the recipient will not directly see the message. This way the message will have more impact on to the recipient of Message Candle.

Product specification Message Candle

- Burning time circa 30 hours
- Greeting or message will be visible after circa 25 minutes
