On-the-Edge Basic

An exciting variant to the classic bloom pot and a balcony planter. Because of its competitive pricing this unique design product is now available to a large group of consumers.

This product, designed by Michael Hilgers, will make sure that a lot of balconies will look nicer as of today.

The product is delivered in a beautiful display (144 or 72 pieces) that communicates clearly to the consumer how the product can be used.

- Fits on every balustrade or banister with a maximum diameter of 60 mm
- To be fixed firmly so 100% safe
- Two separate "chambers" so combined planting can be done easily
- Available in 6 modern colors
- 100% weatherproof resin
- Protected design by Michael Hilgers
